

Introduction to \LaTeX

A 60 Minute Crash Course

Amin Mesbah

25 March, 2016

What is \LaTeX ?

\LaTeX is a ab;alskjdf;asd fa;skdfj;alsfja;sljf;alskjfa;sfj
a;sfdj;alsdjlas;lfja;lsjf;lajsd;fljas;flj;alsjdf;aljsdf;ss

Setup

- Windows
- Mac
- Overleaf
- ShareLatex

"Hello, World!"

Making our first \LaTeX document

A Latex document has two main parts:

- Preamble
 - Set up the rules for how your document will look
- Document Environment
 - The place where you write your document

This is the second slide

A bit more information about this
